

Agenda September 23 2024

The normal board of management meeting took place. As this was the last board meeting for this board a review was completed. This will be shared with the next board.

The balance of all the accounts was shared with the board.

The board has approved 72 places for enrolment in 2025. An analysis of the break down of feeder schools was shared by or HSLO, R.Doran. The board wishes to acknowledge the work R. Doran puts in to the presentation. The school continues to attract healthy numbers. A questionnaire completed by current parents reveals the school continues to have a good reputation in the community.

The state examination results were positive. Teachers are analysing results and continuing to focus on target setting with students. Thank you to the Irish department for sharing your experience of recent inspection.

Works will commence shortly to address a water leak in the school. This will be funded by the Department under the emergency works scheme.

It was noted the hard work of S. Flood and D. Doherty in ensuring the smooth work of the book rental The board welcomes the establishment of the new schools app to improve communication with home. The introduction of the phone wallets has had a very positive impact on the school environment.

The board approved Posts of Responsibility
