

Agreed Report

A normal board meeting took place on May 27th. 2024

The board considered applications from the staff for a junior and senior school trip. Both trips have been approved. Ciara Redmond has resigned her position in the school. Ciara has been an excellent addition to the school over the last 7 year. We wish her all the best in her new school. A draft budget for the next academic year was discussed. This was approved by the board.

Significant progress has been made in the school digital strategy. The board welcomes the establishment of the digital team. There was one child protection case since our last board meeting. An oversight report was shared with the board.

Recruitment has begun for the next academic year.

Post holders submitted their reflections on the year. The board welcomes additional AP1 and AP2 positions and has approved the filling of these positions.

The schools Deis committee submitted the end of year evaluation. Progress has been made on all our targets. The school looks forward to the introduction of the school App in September.
